CASE TYPE

NEAT	WEATHERPROOF	TOUGH	VERSATILE	RUGGED
Smart in appearance these plastic cases are easy to clean and will look neat in any professional and home environment	Built to resist dust and water, these securely sealed plastic cases are designed to cope with unpredictable weather conditions.	Our tough metal cabinets are constructed with heavy-duty full-length metal hinges and quality clasps to keep them securely fastened.	These versatile softpack bags conform to fit in irregular storage spaces while protecting their contents.	Rugged cases are made from hard durable plastics with strong hinges and clasps to sustain wear and tear prone to any environment.

STATE & REGULATORY COMPLIANCE

Compliance in all Australian states and territories is indicated by the regulatory logos.

AUSTRALIA A national policy body who works with the Commonwealth, state and territory governments.

SOUTH AUSTRALIA

First Aid in the Workplace Code of Practice 2012, based on Safe Work Australia model code.

AUSTRALIAN CAPITAL TERRITORY First Aid in the Workplace Code of Practice 2012, based on Safe Work Australia model code.

TASMANIA First Aid in the Workplace Code of Practice 2012, based on Safe Work Australia model code.

NEW SOUTH WALES First Aid in the Workplace Code of Practice 2014, based on Safe Work Australia model code.

QUEENSLAND First Aid in the Workplace Code of Practice 2014, based on Safe Work Australia model code.

NORTHERN TERRITORY First Aid in the Workplace Code of Practice 2012, based on Safe Work Australia model code.

VICTORIA First Aid in the Workplace Compliance Code 2008 developed by WorkSafe Victoria.

WESTERN AUSTRALIA First Aid Facilities and Services Code of Practice 2002 developed by the Commission for Occupational Safety and Health.

FOOD STANDARDS AUSTRALIA NEW ZEALAND

A bi-national Government agency who has developed the Australia New Zealand Food Standards Code including safety requirements for food.

DEFENDER 3 SERIES

A handy kit for first hand response and a vital addition to any outdoor activities. Keep the whole family protected with the quality range of first aid products to treat common injuries. Ideal for travelling, the versatile and plastic cases have internal compartments to keep contents organised. For rugged conditions, opt for the tough metal case, which can also be wallmounted. Both metal and weatherproof cases feature a rubber seal to maximise contents protection.

RESPONDER 4 SERIES

Ensure workplace compliance for first aid with this comprehensive range containing a wide scope of products to cater for any workplace emergencies. Respond promptly to incidents with a variety of outer cases to suit all types of environments. Internal compartments and shelves keep products organised, and all plastic and metal case options are able to be wall mounted. The softpack style is ideal for mobile workers, while the durable plastic cases are recommended for industrial areas. A food-grade kit is available for cafés and restaurants, containing the essential visual detectable plasters and tape.

OPERATOR 5 SERIES

Compliance with workplace first aid regulations is achieved across all states and territories with this broad kit range. Workplace injuries in higher risk areas can be treated effectively with the quality selection of components, complemented by a variety of outer cases to suit any scenario. A food-grade kit is available specifically for this industry, containing the essential visual detectable plasters and tape. The metal cabinets are wallmountable and lockable for security if required. For demanding environments, equip yourself with one of the robust plastic cases which are strong yet lightweight, optimising their portability.

COMMANDER 6 SERIES

This kit range comprehensively meets the standard workplace regulations across all states and territories, ensuring maximum duty of care to all workers. Instant response to all nature of injuries is aided by the range of cases available, which are designed to store and present the substantial quantity of product in the most efficient and accessible way. The durable softpack features an additional shoulder strap for portability. Metal and plastic cabinets are able to be securely wallmounted. Included in the range is a food industry compliant kit in the metal cabinet version, containing alternate visually detectable plasters and tape.

SCALE F MARINE KIT

The Scale F Marine kit complies with the Australian NSCV (National Standard for Commercial Vessels) requirements for the indicated Class of vessel. The cases have been developed specifically for marine environments and are UV resistant, and have a water resistant seal, with a full wall mount bracket for secure mounting.

Vessel Class - This scale F Marine first aid kit meets the requirements under the NSCV for the vessel Classes: 1C (with Unberthed passengers), 1D (with berthed passengers), 1E (with berthed passengers), 2C and 3C.*

*Note. Scheduled medicines and specialised equipment are not provided but are required, a list can be provided upon request.
